Activities for the Family!

Our **six-acre lake** is perfect for losing a day on the water with your own boat or with our boat and canoe rentals, or by fishing catch-and-release to your heart's content!

Our **18-hole mini-golf course** is great for a little friendly competition among friends and family and is a perfect outdoor activity for the kids. (\$)

Our **in-ground swimming pool** is a favorite among families in the warm Pennsylvania summers, and it's a sure spot for fun anytime you want to take a dip with friends and family!

Team pickup games or relaxed H-O-R-S-E competitions are always welcome at our **basketball court**. And it's near the store, so you can walk over and grab a drink when you're done!

Friendly team matches or competitive one-on-one challenges? Whatever your preference, there are good times waiting for everyone on our sand-covered **volleyball/badminton court!**

Race around our custom-built track with your friends on our **pedal go-karts!** It's a great way to have fun in the beautiful outdoors and get a little leg exercise in the process! (\$)

Tucked back in behind our campground is a mile-long, beautiful wooded trail that is perfect for a quick hike, and for peacefully exploring the wildlife that lives around Paradise Stream.

The kids will love our **playgrounds**... there are few better ways to burn some energy and satisfy the little explorers like crawling through tunnels and finding friends at the swing set!
