Activities for the Family!

Our **six-acre lake** is perfect for losing a day on the water with your own boat or with our boat and canoe rentals, or by fishing catch-and-release to your heart's content!

Our **18-hole mini-golf course** is great for a little friendly competition among friends and family and is a perfect outdoor activity for the kids. (\$)

Our **in-ground swimming pool** is a favorite among families in the warm Pennsylvania summers, and it's a sure spot for fun anytime you want to take a dip with friends and family!

What kind of treasures will you find in our **Mining Sluice**? Kids of all ages love sifting through the sand to pull out a few gems and mementos from their vacation! (\$)

There are good times waiting for everyone on our sand-covered **volleyball/badminton court**! Or head on over and shoot some hoops at our **basketball court**! The choice is yours!

Race around our custom-built track with your friends on our **pedal go-karts**! It's a great way to have fun in the beautiful outdoors and get a little leg exercise in the process! (\$)

You will love the challenge of a few rounds inside our **Gaga Pit**! Play as teams or 1-on-1 in a battle of speed and skill that will decide who will be the last one standing in victory!

The kids will love our **playgrounds**... there are few better ways to burn some energy and satisfy the little explorers like crawling through tunnels and finding friends at the swing set!
